SCBO Notices

PRE-SOLICITATION NOTICE OF INTENT TO DISPOSE OF THREE STATE BUILDINGS AND PROCURE

ALTERNATE SPACE FOR THE CURRENT TENANTS

Project: To sell state-owned property located at 1401 Senate Street, 1429 Senate Street and 2221 Devine Street in Columbia, South Carolina, and procure alternate space to relocate the current tenants. Solicitation Number: TBD.

Project Description: Based on the recommendations contained in the Comprehensive Real Property Evaluation, Strategic Planning and Implementation Report prepared for the South Carolina Department of Administration (Admin) by CBRE, the State will be issuing a Request for Proposals to sell state-owned property located at 1401 Senate Street, 1429 Senate Street and 2221 Devine Street in Columbia, South Carolina, and to procure alternate space to relocate the current tenants. A RFP is being developed and the specifications will provide an opportunity to bid on purchasing any or all of the buildings and land and/or providing alternate space for any or all of the current tenants. Options for providing alternate space will allow for a range of options including, but not limited to, market lease, market purchase, and build to suit on either state owned or private land. The disposition of the properties and acquisition of new space will be broadly marketed to allow all interested parties the opportunity to respond. Admin anticipates issuing the RFP in the fall of 2016.

The State encourages competition and seeks qualified respondents. Therefore, if you would like to be notified when the RFP is issued, please provide your contact information via email to Jason Evans, Procurement Director for Admin, at Jason.Evans@admin.sc.gov. Please use the subject line "State Building Disposals and Tenant Relocation RFP."

VENDORS, DON'T NEGLECT TO CHECK THE STATE'S FIXED PRICE BIDS

If authorized by the original solicitation, the State may use "competitive fixed price bidding" to create procurements with an open response date. These fixed price bids are advertised in SCBO once, but the solicitation may provide for bids to be accepted continuously or periodically during the contract term. The links below take you to a listing of all open solicitations conducted by the central purchasing office using the competitive fixed pricing bidding rules.
